SURFACES

G - Lam Collection

An extensive range of high pressure laminates, all available ex stock, designed to meet the needs of the retail and shop fitting industries.

The Laminate Solution

The G-Lam collection has been selected after studying trends from around the world to ensure both innovation and commercial viability.

With over 40 plain colours, 24 woodgrains and a selection of metallic effects, this exciting collection offers a comprehensive solution to the industry.

G-Lam combines quality, durability and design to offer an extensive range of commercial and original finishes.
